ARCHDIOCESE OF CHICAGO

### **Statement of Cardinal Cupich on the death of Pope Benedict XVI**

Today we join Pope Francis and Catholics across the world in mourning the death of Pope Benedict XVI who has gone home to the God he served faithfully.

Throughout his life as a scholar and as a churchman, he showed us what it means to fulfill the ancient command to love God with all your heart, with all your soul and with all your mind. As the last pope who attended the Second Vatican Council, he has served as a bridge to the future, reminding us all that the reform and renewal of the Church is ongoing. Resigning in 2013, the Year of Faith, Pope Benedict XVI taught us that belief in God means completely placing our trust in Divine Providence. Today we pray as Pope Francis did earlier this year, "May St. Joseph help us to live the mystery of death in the best possible way. For a Christian, the good death is an experience of the mercy of God, who comes close to us even in that last moment of our life."

Lord, let your perpetual light shine on your servant Joseph Ratzinger, Pope Benedict XVI, and may he rest in peace.

**Pope Emeritus Benedict XVI**  
April 16, 1927 to December 31, 2022

**¡Vamos a crear un restaurante! Let's create a restaurant!**

This December, the sixth grade students became restaurant owners! After learning about food and restaurant vocabulary and translating Spanish menus through our online textbook called *Voces*, the students created menus for their own restaurants. Students could create any kind of restaurant they liked and then present their menu to the class on either a Google Slides presentation or on paper. Students created restaurants with themes centered around ice cream, Italian food, Mexican food, fast food, and various others. The students did a wonderful job! You can see some of their project images below.

Almuerzo

- carne
- verduras
- macarrones con queso
- Fruta
- ensalada

Presenting the projects in Spanish is just one of the many ways the QR students have access to and create authentic Spanish materials. Students also bring in authentic materials they find in the community for “Yo Vi Español”: I Saw Spanish. When students see an authentic material outside of school—such as a restaurant menu, food label, TV guide, and various others—they can bring it in to be hung in the classroom and shared with other students. Some other activities students complete in class include writing and translating conversations, having full group discussions in Spanish, watching Spanish cartoons, and many more. There is always something to learn in Spanish class at QR!
