Hello OLBS Family,

While I have had the pleasure to meet many of you, for those I have not, my name is Joshua Jones, and I am a seminarian studying for the Archdiocese of Chicago. I am entering my third year of formation at Mundelein Seminary, and I am currently on track to be ordained a priest, God-willing, in the year 2028.

A little about me, I grew up here in Elk Grove Village and attended Queen of the Rosary school from preschool through 8th grade, graduating in 2011. I was very blessed to be raised in a good family and given a good Catholic education where I learned not only about my faith but also how to live it. However, at the time I was not thinking seriously about the priesthood. Having grown up on the west side, I went to Conant High School (Go Cougars!) and then to Miami University in Ohio where I got my degree in Information Systems and Business Analytics. Afterward, I began working as an IT consultant in Chicago.

Through those years, my faith journey had many ups and downs, and I went through some personal struggles. However, it was in those struggles that I rediscovered my faith on a deeper level. I then began to ask the question: What is God really calling me to do with my life? After much prayer and discernment, I entered the seminary in August 2021 to determine if the priesthood is truly where He is leading me.

I began seminary by entering what is called the Spirituality Year, which is a year that seminarians spend in a house of formation with no technology and focus on deepening their prayer life, as well as on apostolate work and community life. While it was scary to leave my business career to enter this year of formation, the year turned out to have many blessings. I had the privilege to spend the year of prayer, service, and fraternity with a great group of brother seminarians, and had many unique experiences such as a month-long poverty immersion, a 30-day silent retreat, and ending the year with hiking the Camino de Santiago Pilgrimage in Spain. Most importantly, I grew in relationship with Our Lord, and ultimately gained peace and clarity about continuing my journey at Mundelein Seminary.

This past year I completed my first year of philosophy studies at Mundelein and have had the opportunity to come back and serve at the parish throughout the year.

It has been a blessing to come back and serve at the parish I grew up in, and to get to know the members of our new community. I then served as a Totus Tuus Missionary this past summer, where my team had the privilege to serve here at Our Lady of the Blessed Sacrament parish. It was truly great to return to the school where I had been taught and have the chance to teach the parish youth about our Lord; it was a very fun week for my team.

Now entering my third year of formation, I am at the point where I will be assigned a new parish to primarily serve during the remainder of my time in seminary. However, my hope is to still visit OLBS parish and come to serve when I have the opportunity. Above all, I am especially grateful for all the support and prayers I have received from you all throughout this journey; they truly are what keep me going.

God Bless,
Joshua Jones

P.S. If anyone is feeling generous enough to support me monetarily, I will also be running the Chicago Marathon on October 9th and still need to reach my fundraising goal. I will be running for Mission of Our Lady of Angels in Chicago; Donations can be made using the link below. Thank you in advance for your generosity!

Gospel In Focus: September 10, 2023

Jesus tells His disciples what to do when someone does something wrong, or hurts someone else. *"For where two or three are gathered in my name, there am I in the midst of them."* —Matthew 18:20

Discussion Questions

When you see someone doing something wrong, how do you respond? With gentleness or spite? Or are you afraid to speak up? How can we imitate Christ in these situations?

What communities are you a part of? Why is it important to be a part of a community?

How does loving your neighbor go beyond just the commandments?

Tips for End of Day Prayers with Teens & Tweens

As our children grow up, bedtime routines change and sometimes we are going to bed before our teenagers do. Even when we no longer tuck them in, having an end of the day prayer routine is valuable. Here is a tip for establishing evening prayers with teens.

Ask about roses and thorns:

- What is a **rose** (a good thing) that happened today? Let's thank God for that.
- What is a **thorn** (a difficulty) that happened today? Let's entrust that situation to God and ask for His blessing on it.

In the end, we come to see the story of creation—and re-creation—as part of God's ongoing story with us today.
