OUR LADY OF THE BLESSED SACRAMENT PARISH

The servants went out into the streets and gathered all they found, bad and good alike, and the hall was filled with guests. —Matthew 22:10

Twenty-Eighth Sunday in Ordinary Time | October 15, 2023

Under Mary's mantle, and with the guidance of the Holy Trinity, Our Lady of the Blessed Sacrament seeks to share God's love by celebrating the sacraments, proclaiming the gospel, and serving the needs of all His children.

Dear OLBS Family,

We are John and Yumi and we are newlyweds. You might have met us at the events that we helped host as part of the Marriage and Family Ministry.

2022 was a busy year for us. Yumi entered the faith, we got married in July, went on our honeymoon, AND bought our first home together. We entered 2023 by moving into our new home and are finally settling into our new life as husband and wife. We wanted to take some time to share our life of faith throughout our relationship.

We both grew up in Elk Grove Village and attended Grove Junior High and EGHS. We became good friends in high school, and although we went to different colleges we kept in touch. We began dating long distance in our senior year of college. There was always a spark that drew us together from the moment that we met. As cheesy as it sounds, we always felt that there was something that brought us together and more importantly keeps us together.

Both of our parents had arranged marriages so marrying for love was a foreign concept. We initially faced backlash from both sides of the family. We were told that we were too young to know what we wanted, too naive, and that we could never make this work on just love alone.

However, we were stubborn. Even though in many situations it seemed like the world wanted to pull us away, we knew in our hearts this was not puppy love: we were meant to be together. So we conquered those obstacles together, one of those was actually attending Mass.

We had not stepped foot in a church routinely in years, but we started attending Mass every Sunday. Initially it was to appease our family but eventually we started connecting with Father Dan, Father

Louis, and the parish community and then very naturally we started to enjoy Mass. We began to pray together at home and even discussed scripture readings on our own, which strengthened our relationship and our faith. The initial feeling of reluctance turned into something we looked forward to, despite wanting to sleep in on Sunday mornings!

Just like how we naturally fell for each other, God naturally became a more active part of our lives. We see now it was not just our love for each other that brought us together, but God. He's always been with us, leading us back to Him when we were ready and willing.

So when we were asked to join the Marriage and Family Ministry, we did not hesitate to say yes. We hope to continue to grow our life of faith through helping our community and helping one another strengthen and spread God's love.

We look forward to seeing you all at Mass and hopefully also at one of our next Marriage and Family Ministry events!

Yours Faithfully,
John & Yumi

Gospel In Focus: October 22, 2023

The Pharisees try to trap Jesus with his words, but Jesus responds with wisdom. *"At that he said to them, 'Then repay to Caesar what belongs to Caesar and to God what belongs to God.'"*

—Matthew 22:21

Discussion Questions

Who represents "Caesar"—someone or something who oppresses you—in your life? A person, a group, a habit, a technology devise? How is God calling you to respond?

What does it mean to "give glory?"

How can we give the Lord glory as a family this week?

TUESDAY MORNING GROUP

returns 9/12/23 and will be reading: Genesis 1-11: God Makes a Start helps Bible-study participants put the creation story in its proper historical, cultural, and theological contexts, and goes beyond the story of creation to discuss the first sin and God's starting over with the flood. In the end, we come to see the story of creation—and re-creation—as part of God's ongoing story with us today.

Do you desire a deeper relationship with Jesus Christ? Are you looking to participate more fully in the life of the parish and connect with other young adult Catholics? Think about bringing a young adult ministry to Our Lady of the Blessed Sacrament in the new year! Check out these resources from the Archdiocese of Chicago:

In Miss Nagle's junior high science classroom, 7th graders have spent some time learning about microscopes! They researched the different types of microscopes that scientists use, explored the parts that make up a compound light microscope, and then spent time practicing proper use of a microscope. They even prepared their own slides with a thin layer of onion skin to observe under the microscope, and they were able to see the individual cells that make up the plant.
